Dear Mr. Nash:

As you may be aware, due to the tenure policy of the NFPA Standards Council, your term as Chair of the Health Care Facilities Technical Committee on Electrical Systems expired as of the end of 2005.

I would like to extend to you, on behalf of the Standards Council, my sincerest thanks for the expertise, dedication, and leadership you provided the committee over the past ten years. It is the voluntary participation of persons like yourself that has ensured the integrity of the NFPA codes- and standards-making system and the Association owes you a debt of gratitude for that service. The enclosed certificate is just a small token of our appreciation.

The Council would welcome your thoughts at this time on who you think might be a suitable successor and whether you will be able to remain on the committee as a principal member.

Again, please accept our thanks, and I look forward to hearing from you.

Sincerely,

Leona Attenasio Nisbet
Recording Secretary, Standards Council

Enclosure
